Lyrics to song of same name by Billy Wall

You know I need someone  
need someone to change my life.  
You know I want someone  
want someone to be my wife.

You know I need someone  
to tell me what to do.  
You know I need someone like you.  
I think you'll do.  
I think you'll do.

I think that you're the one  
to keep me here through the night.  
I think that you're the one  
All the signs say I'm right.

You know I need someone  
to tell me what to do.  
You know I need someone like you.  
I think you'll do.  
I think you'll do.

You know I need someone  
need someone to change my life.  
You know I want someone  
want someone to be my wife.

You know I need someone  
to tell me what to do.  
You know I need someone like you.  
I think you'll do.  
I think you'll do.  
I think you'll do.  
I think you'll do.
