Lost in the madness.  
Caught up in a dream.  
It's hard to see all the trouble you bring  
when you're coming apart at the seams.

Lost in the moment.  
Caught up in a whirl.  
It's hard to think with that kind of girl  
when you don't even know what she means.

And you lay down beside her.  
And love her again.  
And you try to tell yourself you're more than just friends,  
but you wind up losing again.

Counting the hours.  
Passing the days.  
Thinking how you might have gone wrong  
wanting to change to your ways.

Counting the memories.  
Passing with time.  
Thinking you know for sure she's gone  
then she's back on the telephone line

And you lay down beside her.  
And love her again.  
And you try to tell yourself you're more than just friends,  
but you wind up losing again.

And you lay down beside her.  
And love her again.  
And you try to tell yourself you're more than just friends,  
but you wind up losing again.

You wind up losing again...
