Nowadays peace of mind is hard to find.  
When you need your quiet time,  
Find a place that truly sets you free.

Yesterday was a place you left behind  
It made you grow and now you're feeling fine,  
It opened up your eyes so you can see.

It's hard to find  
Little places you can go,  
Just to ease your mind.  
Give it time  
It takes so long I know,  
But in the end you're fine.

Any place that you choose can work out fine.  
All the things you need will come in time.  
Finally the world will let you be.

It's hard to find  
Little places you can go,  
Just to ease your mind.  
Give it time  
It takes so long I know,  
But in the end you're fine.

Nowadays peace of mind is hard to find.  
When you need your quiet time,  
Find a place that truly sets you free.  
And finally the world will let you be.  
Find that place that truly sets you free.  
And finally the world will let you be.
